

TEEN LEADER . . . Bob Chambers, newly elected president of the Torrance Youth Council, packs a case of "Coke" to help stock the "Soft Drink Bar" at the Teen and Twenty Club which opens Saturday night in the civic auditorium.—Herald photo.

### SQUARE DANCE SERIES OPENS IN AUDITORIUM

A gay crowd of more than 125 persons maneuvered many intricate steps of the square dance Monday evening in civic auditorium. Clarke G. Kugler, popular promoter, called the "hips" assisted by Mrs. Kugler, who demonstrated the steps.

So enthusiastic were the dancers that even though next Monday will be Fourth of July they plan to be on hand for more instruction in this fascinating dance that is sweeping the country.

Beginners and intermediates are welcome to join these classes which will meet every Monday night during the summer. There is still room for a few more couples. A charge of 25 cents per person will be made each meeting to defray expenses.

### Sum Alloted for Collection of County's Trash

An expenditure of \$485,000 was approved last Wednesday by the Board of Supervisors to start a county-wide rubbish disposal system.

This sum will be made available to the County Engineer and Surveyor's Office next July 1, when the fiscal year starts.

The plan includes three transfer site dumps to be set up in the South Pasadena, Huntington Park and El Segundo-Manhattan districts.

Allen recommended that the county-wide disposal system begin with these three spots.

"Other dump or transfer stations should not be constructed until the next fiscal year, after experience has been gained in the operation of these initial dumps," he stated.

The transfer sites, complete with ramps and all necessary equipment, will be only temporary depositories for rubbish pending transfer to the city terrace site.

The county manager favored financing of the disposal sites from \$818,000 set up for the now abandoned southeast incinerator.

Two of the units would receive rubbish collection from Huntington Park and El Segundo-Manhattan Beach regions.

However, the county engineer reported that incinerators for county territory are not urgently needed yet.

### School Official Is Sworn In

Earle D. Baker, newly elected member of the Los Angeles City Board of Education has been sworn into office by City Clerk Walter C. Peterson.

A native of Missouri, Baker came to San Francisco in 1901 and to Southern California in 1914.

The retired food broker is active in civic and church affairs in Hollywood and plays the trombone as an avocation.

### School Units Construction Underway

Work was well underway this week on construction of additional facilities at Fern Avenue Elementary School, Board of Education officials stated.

The units are to be completed and ready for occupancy by the beginning of the fall term in September.

Construction of additional units at Perry School and the erection of a new school at Seaside Ranchos also is underway. Both are expected to be completed by autumn.

### Council Gets Garbage Bids

Three bids for the collection and disposal of garbage and other refuse were received by the City Council at its Tuesday evening session.

The council referred the matter to City Manager George Stevens for his recommendation.

Previously the council had rejected six bids and invited those which were received this week.

IT'S FUN . . . Mr. and Mrs. C. W. Hood join the fad that is sweeping the nation—square dancing. The couple were snapped while a-jigging this week at the first of a series of weekly dances to be held in the Civic Auditorium each Monday night.

### Teen Aged Open Own 'Night Club'

Come Saturday night, the teen aged youth of the community will have an answer to the perennial question: "What'll we do tonight?"

For Saturday at 5 p.m. the City-School sponsored summer-recreation program, under Director Rex Welch, will open the doors of the Civic Auditorium to the 1421 year olds in the community for the staging of the first of a series of weekly Teen and Twenty Club projects.

Headed by recently elected Chairman Bob Chambers, top athlete at Torrance High School in recent years, the Saturday night affairs will be self-governed by the Torrance Youth Council—a new organization.

Janet Lewellen recent Torrance High graduate, is the secretary of the council.

Lyman Knowland, former Golden Gloves Boxing coach and

### Women of Moose Installed

New officers for the 1949-50 year were installed by the Women of the Moose, Chapter 44, in ceremonies held last night at the Civic Auditorium.

A large audience of friends and relatives witnessed the impressive rites, according to Ionia Steele, graduate regent and installation chairman.

Heads of the organization inducted include: May Nelson, senior regent; Elsie Smith, junior graduate regent; Ruth Dobson, junior regent; Betty Purnell, chaplain; Thelma Hill, recorder; Cordie White, treasurer; Annabelle Holland, guide; Neita Sullivan, assistant guide; Mary Belle Pharr, argus; Leona Shiffer, sentinel; Flomena Mirabella, pianist.

Escorts for the new term are Dorothy Lighthouse, Pearl Reid, Hazel Lapell, Georgia Chapman, Minnie Menni, Julia Menni and Mary Held. Committee chairmen are Esther Venable, Wilverta Heiman, Hazel Pitts, Helen Armstrong, Margaret Vanderkilt, Muriel Hull, Cora Hill, Martha Jones, Lucille Myers and Marie Marsh.

Installing regent at the event was Bessie Lovett of Long Beach, a member of the organization's Grand Council. She was assisted by Stanley Heiman as installing guide and Frank Bell as installing drill team are Wilverta Heiman, Marie Bankston, Mary Held, Georgia Chapman, Myrtle Bell, Velma Scanlon, Pearl Reid and Dorothy Light-heart.

**Smog Control Head Takes Over**

With pledges of support from civic and business leaders in Lomita and other areas of Los Angeles County, Gordon P. Larson took over as director of the County Air Pollution Control District this week, following his recent unanimous selection by the Board of Supervisors.

Larson, former Army engineering officer and more recently deputy director of the district, succeeds Dr. Louis C. McCabe who resigned to head a Federal research project involving air and stream pollution.

The new smog control chief said he would continue to press the present vigorous two-pronged program of enforcement and research.
